- No photos of children, other than those of whom you have parental authority, should be published without consent of the relevant parents.
- No photos of people (of any age) with little, inappropriate or no clothing should be uploaded. It is important to remember party photos can be dangerous for a host of reasons, and you should think carefully about publishing
- If someone asks for a photo to be removed, please do so straight away.

### 3. **Be Respectful**

- Treat others with kindness. Healthy debate is fine, but personal attacks, bullying, or offensive language won't be tolerated.

### 4. **Stay On Topic**

- Posts should relate to IAC, skiing, racing, events, lodge life, or mountain adventures.
- No politics, religion, or commercial promotions without committee approval.

### 5. **Keep it Safe**

- Don't post unsafe activities or details of accidents/incidents—official updates will come from the committee.

### 6. **Club Reputation**

- Please remember posts represent our club. Avoid sharing content that may harm the Club's reputation.

### 7. **Moderation**

- Admins reserve the right to remove posts or members who don't follow these guidelines.
- If you have a concern, message an admin or Committee member directly.
